

Carlton Boys and Girls Group

This is a space for all students. Join the group you feel most comfortable with and if neither group works, see Ms. Mamczasz or Jodi and we will find the right connection for you.

WHAT IS IT?

A safe, welcoming, and consistent space where students can build relationships, feel a sense of belonging, and know they have caring adults in their corner. It is a holistic approach to student well-being, recognizing that students need support not only academically, but also socially, emotionally, physically, culturally, and relationally.
