Discuss the following quotes (these are highlighted in the story):

“You’re on your own. And you know what you know. And YOU are the guy who’ll decide where to go.”

“You can get all hung up in a prickly perch. And your gang will fly on. You’ll be left in a Lurch.”

“You will come to a place where the streets are not marked. Some windows are lighted. But mostly they’re darked. A place you could sprain both your elbow or chin! Do you dare to stay out? Do you dare to go in? How much can you lose? How much can you win?”

“I’m afraid of those times you’ll play lonely games too. Games you can’t win cause you’ll be against you.”

“So be sure when you step. Step with care and great tact and remember that life is a Great Balancing Act.”
