

## My Blueprint – Goal Setting – Ideas for Teachers

**“People with goals succeed because they know where they are going,” (Earl Nightingale).**

*As a teacher are you looking for ways for students to be more successful and take more responsibility for their learning?*

*If so the **Goal Setting** section of **My Blueprint** is the tool for you.*

1. Go to the Carlton website [www.carlton.srsd119.ca](http://www.carlton.srsd119.ca)
2. Click on **My Blueprint**
3. Login in using username and password used when you created your **My Blueprint** account
4. Click on **Goal Setting**
5. In the top right-hand corner, click **Add Goal**
6. Click on drop down “select goal type.” Options are: academic, career, community, education, extra-curricular, family, financial, learning skills, other, personal, physical
7. Examples of goals may be:
  - a. **Academic Goal**
    - I will reassess the outcome....
    - By the end of semester one, I will achieve a score of....
    - I will submit the performance task of....
  - b. **Career Goal**
    - I will attend the career fair and.....
    - I will meet with a counselor in Student Services to..
    - I will interview someone who has a career I am interested in
  - c. **Community Goal**
    - I will volunteer at .....
    - I will attend the community event of....to....
  - d. **Extra-Curricular**

- *I will try out for.....*
- *I will join the....club*
- *I will learn how to perfect a .....*
- *I will assume a leadership role for my team or club by....*

**e. Financial**

- *I will have saved \$\$\$\$ to purchase....*
- *Each month, I will put \$\$\$ away for my future education*

**f. Learning Skills**

- *I will complete the Learning Styles quiz on my blueprint*
- *I will meet with my teacher to discuss the ways in which I learn best*
- *I will try to learn auditorily to see how it goes*

**g. Personal**

- *I will join the gym*
- *I will attend class regularly*
- *I will get a job*

**h. Physical**

- *I will eat three healthy meals a day*
- *I will exercise three times a week*

8. Click on drop down arrow "time frame," and select one of three options

9. Type in "goal description"

10. Answer "How will you achieve your goal?"

11. Click "Add Goal"

12. Students can click on goal created and check "completed" when it is done.

***This may be a useful tool as a class, one on one with a student or to use with a parent. Teachers are able to see student accounts. More information will follow in this regard or stop by Student Services.***
