

Dear Parent/Guardian,

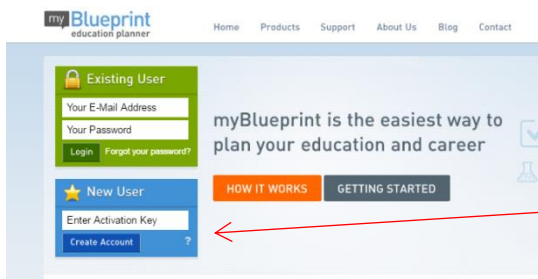

**Carlton Comprehensive Public High School** has partnered with **myBlueprint** to provide your child with an engaging and interactive online education and career planning program. myBlueprint is a tool available for students and their families which helps them discover who they are, plan for graduation, obtain employment and explore options for the future. Each year the high school planner keeps track of the credits students have completed, which allows them to see their educational pathway and, in turn, make meaningful choices when selecting classes. In addition, this tool enables students to explore career opportunities, educational institutions, admission requirements and financial costs associated with future dreams.

**myBlueprint Education Planner (7-12)** includes a number of beneficial resources to support your students as they progress through high school, including:

- ✓ **Who Am I** – 6 unique assessments for self-exploration and discovery (including Learning Styles, Myers-Briggs Personality, Holland Interests, Knowledge, Motivations, and Compatibility)
- ✓ **High School** – A tool to visually plan courses, track progress toward graduation, and instantly identify post-secondary eligibility for opportunities in all pathways
- ✓ **Post-Secondary** – A database to explore post-secondary opportunities and compare detailed information on apprenticeships, college programs, university programs and workplace sectors across Canada
- ✓ **Goals** – An interactive goal setting tool to set goals and action plans
- ✓ **Occupations** – A database of over 500 occupations to compare comprehensive information on job prospects and potential earning range.
- ✓ **Resumes & Cover Letters** – Interactive tools to record personal experiences, build resumes and write cover letters
- ✓ **Money** – An engaging budget-making tool to help students track income and expenses and develop financial literacy
- ✓ **Job Search** – A tool to explore real-world job postings that relate to occupations of interest
- ✓ **Portfolios** – A portfolio builder to create multiple portfolios and share it with parents, teachers, or future employers

To explore the features of myBlueprint, you can create a **Parent Account** and link to your child's account. With direct access from home, you can get more informed and involved with your child's education, and support your child in making the most informed decisions for their future.

To create your **Parent Account**, follow these simple steps:

1. It is more user friendly to go through Chrome to access myBlueprint.
2. Visit [www.myBlueprint.ca](http://www.myBlueprint.ca)
3. In the blue **New User** box, enter your child's school Activation Key: **carlton** and click **Create Account**
