

**April, 2014**

**Dear School Staff:**

**Public Health School Health Services**

**To help school staff access the health care services we provide for school-aged children and youth, we recommend the following link:**

**Go to:** [www.princealbertparklandhealth.com/publichealth](http://www.princealbertparklandhealth.com/publichealth)

- Scroll down to Public Health Services & Programs
- Public Health School Health Services
- Click on ***“Click me to view this file”*** icon to open documents.

**If you have any questions, please contact your local Public Health Office at 306-765-6506.**
