

Beginning

You can do it. Spend some extra time with the criteria and ask for help.

I am wondering.....

Approaching

Good start. You are beginning to make sense of this on your own. You are consistent with the basic learning goals for this outcome.

I need some help.

Proficient

You did it and you did it on your own. You are able to complete the processes for this outcome. Your work is thorough and consistently accurate.

I got it!

Mastery

Great work! This work is going extra well for you. You have understood the outcome, are able to explain your strategies and apply these to situations. Your work is always accurate.

I am connecting....I am applying...
