A nighttime photograph of the Fairmont Le Château Frontenac in Québec City, Canada. The hotel is a grand, multi-story building with a central tower and several smaller towers, all illuminated with warm yellow and white lights. The central tower is topped with a purple light. The building is set against a dark blue night sky. In the foreground, there is a paved plaza with a green and white striped gazebo. To the left, there are trees and a cannon. To the right, there are streetlights and a dome-shaped building in the distance.
