Do you feel like you have a lot *more potential as a shooter* but don't know how to achieve it?

Do you worry that *your shooting will hold you back* from achieving the things you want to in the game of basketball?

NBA Shooting Coach Dave Love has been *trusted by NBA teams, players and agents* to help players unlock the potential of their jump shots, and he can do the same for you. Every player that Coach Love has worked with has shot a *career high* in their time working together.

Coach Love has *helped players identify flaws in their shot*, and given them a practice plan that has helped players improve by as much as *30% in one season*.

Another player went from buried on the bench, hardly playing because he wasn't a strong shooter, to *now starting in the NBA*, shooting 3 pointers at a high percentage, and making millions of dollars.
