Coach SHOOTING CLINIC

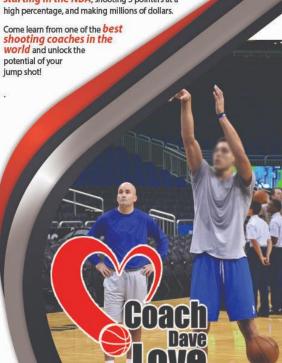

Do you feel like you have a lot **more potential as a shooter** but don't know how to achieve it?

Do you worry that **your shooting will hold you back** from achieving the things you want to in the game of basketball?

NBA Shooting Coach Dave Love has been **trusted by NBA teams**, **players and agents** to help players unlock the potential of their jump shots, and he can do the same for you. Every player that Coach Love has worked with has shot a *career high* in their time working together.

Coach Love has **helped players identify flaws in their shot**, and given them a practice plan that has helped players improve by as much as **30% in one season**.

Another player went from buried on the bench, hardly playing because he wasn't a strong shooter, to **now starting in the NBA**, shooting 3 pointers at a high percentage, and making millions of dollars.

NBA shooting coach Dave Love is putting on a clinic in the **CPAC** on Nov, 17, 2019.

Christmas isn't here yet, but we hope you're in the giving spirit! The pantry is looking for donations of food like granola bars, fruit cups or other quick grabs foods but we will take anything you have to offer! We would also love warm clothes, jackets and mitts.
