ABORIGINAL BUSINESS ADMINISTRATION CERTIFICATE

Edwards School of Business is just the right size. We offer exemplary students an AACSB-accredited education in a welcoming classroom environment. Our classes facilitate learning and interaction with faculty and other students. Situated on the University of Saskatchewan main campus in Saskatoon, SK, the community provides social and professional activities business students crave.

ABAC overview

Quick facts

- Two-year certificate
- Full-time program
- You can enter this program directly from high school

The ABAC program is designed for self-declared Métis, First Nation, and Inuit students. The certificate is a gradual step towards a successful career in business with an option to transfer into the B.Com. degree program upon completion. It provides students with an introduction to business including courses in accounting, marketing, finance, and human resource management and also incorporates significant student success activities.

CERTIFICATE IN BUSINESS

Edwards School of Business is just the right size. We offer exemplary students an AACSB-accredited education in a welcoming classroom environment. Our classes facilitate learning and interaction with faculty and other students. Situated on the University of Saskatchewan main campus in Saskatoon, SK, the community provides social and professional activities business students crave.

Quick facts

- Two-year certificate
- Full or part-time program
- You can enter this program directly from high school
- Complete as a standalone program or as part of a USask degree

The Certificate in Business (CBUS) is an eight-course program that will provide you with the knowledge and skills to be successful in professional business environments.

You will be introduced to business foundations and will have opportunities to become an innovative thinker, a creative problem-solver, an effective contributor, and a team leader.

Students who complete the Certificate in Business will:

- Understand basic business principles;
- Be effective contributors to team performance;
- Incorporate ethical considerations into decision-making and intended actions; and
- Be effective decision makers and problem solvers.

Featured classes

COMM 306.3: Ethics and Strategic Decision Making

This course introduces students to strategic management and ethical frameworks that will assist you in understanding the impact these forces have upon organizational decision making.

COMM 204.3: Introduction to Marketing

Provides students with a broad understanding of marketing tools and strategies. Explores how products and services are strategically marketed.

Our classes facilitate learning and interaction with faculty and other students. Situated on the University of Saskatchewan main campus in Saskatoon, SK, the community provides social and professional activities business students crave.

Quick facts

- Two-year certificate
- Full or part-time program
- You can enter this program directly from high school
- Complete as a standalone program or as part of a U Sask degree

Whether you have a business idea or want to drive change in your workplace, the Certificate in Entrepreneurship (CENT) encourages you to think outside the box.

Foster your creativity, drive change in the workplace, and master the business skills needed to bring your idea to market.

Students who complete the Certificate in Entrepreneurship will:

- Understand basic business principles;
- Be effective contributors to team performance;
- Be able to incorporate ethical considerations into decision making and intended actions;
- Be able to incorporate ethical considerations into decision making and intended actions;
- Be entrepreneurial thinkers;
- Prepare a business plan for a new venture.

Featured classes

COMM 349.3: Introduction to Entrepreneurship

Designed to provide both knowledge and evaluation skills needed to add value in the new venture sector of the economy.

COMM 447.3: Entrepreneurship and Venture Development

This course helps students develop the skills required for the successful formation of new business ventures, effective business succession, or small business expansion. Students also learn how to evaluate business models and plans, and how to manage on-going small and medium sized businesses.
