ARE YOU INTERESTED IN BECOMING A CREE OR FRENCH LANGUAGE TEACHER?

The Language Teacher Education Program (LTEP) is a direct entry, four-year Bachelor of Education (BEd) degree program. Teacher candidates in this program will focus on Early/Middle Years (Prekindergarten to Grade 8) learners in immersion, bilingual, intensive and core settings.

Cree or French will be your Teaching Area 1 (or major) and you will be able to select one of the following as your Teaching Area 2 (or minor):

- Arts Education
- English Language Arts
- Indigenous Studies
- Mathematics
- Physical Education
- Science
- Social Sciences/Social Studies

Be immersed in Cree or French in your coursework and field experiences to improve your language proficiency and methodological prowess. Courses in this new program focus on second language pedagogy, curricula, planning and assessment.

Participate in four different field experiences throughout Years 2, 3 and 4 of the program.

Exchange opportunities and off-site learning experiences are being developed to complement the coursework and to give specific attention to culture, identity and language revitalization.

In addition to the Cree language courses that comprise your Teaching Area 1, teaching methods courses will also be taken in Cree. These methods courses will focus on Early Years learners (Prekindergarten to Grade 3).

FRENCH STREAM

Early/Middle Years (PreK to Grade 8)

Bonjour/Bienvenue! Merci de vous intéresser à la voie crie. Nous espérons que vous êtes emballé(e)s par l'occasion d'aider à revitaliser la langue et la culture crie, et de développer de l'expertise dans l'enseignement de la langue crie et dans la création d'environnements d'apprentissage qui répondent aux besoins des jeunes apprenants de la prématernelle à la 3e année.

In addition to the French language courses that comprise your Teaching Area 1, teaching methods courses will also be taken in French. These methods courses will focus on Early/Middle Years learners (Prekindergarten to Grade 8).

DEADLINES

Early admission: Dec. 1

If you are a high school student or recent graduate, you may be eligible for early admission. Early applicants who apply, pay the application fee and submit transcripts and other admission documents by December 1 and have an admission average of 80% or greater will be offered early admission.

Competitive ranking-based admission: Feb. 15

Applicants who do not meet the early admission average or who apply between December 1 and the regular application deadline of February 15 will be ranked competitively by admission average and stream (e.g., Cree or French). Seats will be offered to the top applicants.

As we work toward offering the best programming support to students, please let us know what you need in your position to lead students on their post-secondary education paths at USask.

The University of Alberta has a new entrance award for eligible high school students.

The Discover University of Alberta Award assists students who are entering the U of A and who have demonstrated financial challenges and barriers to attending university. Through the program, up to 30 new students per year will be considered for \$8,000 per year in award funding. Applicants must not have completed any post-secondary coursework.

Applications opened November 1 and close February 15 with offers being extended by mid-April (prior to the May 1 admission acceptance deadline).

We are hoping you can help us promote this award to eligible students in your high school. We are providing a digital slide for your screens and a digital version of a postcard to help advertise the award. You can access the files [here](#).

For more information, including how to apply, visit this [webpage](#).

If you have any questions about the Discover University of Alberta Award, you can email awards@ualberta.ca.
