ARE YOU INTERESTED IN BECOMING A CREE OR FRENCH LANGUAGE TEACHER?

The Language Teacher Education Program (LTEP) is a direct entry, fouryear Bachelor of Education (BEd) degree program. Teacher candidates in this program will focus on Early/Middle Years (Prekindergarten to Grade 8) learners in immersion, bilingual, intensive and core settings.

Cree or French will be your Teaching Area 1 (or major) and you will be able to select one of the following as your Teaching Area 2 (or minor):

- Arts Education
- English Language Arts
- Indigenous Studies
- Mathematics
- Physical Education
- * Science
- Social Sciences/Social Studies

Be immersed in Cree or French in your coursework and field experiences to improve your language proficiency and methodological prowess. Courses in this new program focus on second language pedagogy, curricula, planning and assessment.

Participate in four different field experiences throughout Years 2, 3 and 4 of the program.

Exchange opportunities and off-site learning experiences are being developed to complement the coursework and to give specific attention to culture, identity and language revitalization.
