

## The ARABELLE GOLA MEMORIAL SCHOLARSHIP

### 1- Scholarship of \$500.00

This scholarship honours the essence of Arabelle Gola, who was an extraordinary presence. It is a scholarship that captures the soul and spirit of who Arabelle was, and what mattered to her most in life. Sadly Arabelle was lost due to complications of Covid 19 in August of 2023. We lost her way too soon, as she was only 16 years old. Not a moment goes by that we don't think about her, and we hope that this scholarship will help her name to live on.
